

Earthmoving Equipment / Diesel Mechanic Position
Gauteng Branch

POSTING DATE: 15th September 2026

Role Purpose:

- To maintain, service, diagnose, and repair earth moving equipment, ensuring optimal performance, minimal downtime, and compliance with safety standards.
- The incumbent will support manufacturing & quarrying operations by performing preventative maintenance and attending to breakdowns on-site.

Key Responsibilities:

- Perform mechanical, electrical, and hydraulic diagnostics, repairs, and maintenance on earthmoving equipment (e.g., Excavators, Front-End Loaders, Graders, Dump Trucks, Forklifts and Tractors).
 - Conduct routine servicing and preventative maintenance according to OEM specifications.
 - Troubleshoot breakdowns and carry out emergency repairs efficiently, both in the workshop and on-site.
 - Inspect equipment to identify potential mechanical issues and recommend corrective actions.
 - Maintain accurate service records, job cards, and reports.
 - Ensure compliance with safety, health, and environmental regulations.
 - Assist with equipment upgrades, modifications, and testing when required.
 - Operate workshop tools, diagnostic equipment safely and correctly.
 - Provide technical support and guidance to apprentices or mechanic assistants.
-

Minimum Requirements:

- Red Seal Trade Test Certificate: Earthmoving Equipment / Diesel Mechanic.
- Minimum of **5 years post-trade experience** in repairing and maintaining heavy construction equipment.
- Strong knowledge of hydraulic, electrical and mechanical systems.
- Valid driver's license (Code 08/10).
- Ability to interpret technical manuals, schematics, and drawings.
- Computer literacy for diagnostics and reporting (advantageous).
- Willingness to work overtime, shifts, and attend breakdowns outside normal working hours.

Key Competencies & Skills:

- Strong fault-finding and problem-solving abilities.
- High level of mechanical and technical aptitude.
- Ability to work independently and as part of a team.
- Strong commitment to safety and quality standards.
- Excellent communication and reporting skills.
- Physically fit and able to work in demanding environments.

Closing Date:

- 25th September 2026

Remuneration: Market / Department Related
